

Sponsored Payment

Students who have a sponsorship agreement with a company or funding body should note that **full fees** are payable at the commencement of the programme, and in cases where the scholarship or funding is insufficient to cover the full fee the balance must be paid by the student through a bank.

Sponsorship details must be supplied below and the form returned **prior to the commencement of your course**. On return, the sponsoring body will be invoiced for the amount allocated to sponsorship. *It is important to note that responsibility for the prompt payment of fees ultimately lies with the student.*
