BSc Accounting

CK202

What is Accounting?

The BSc Accounting Degree (CK202) provides a broad business education, an opportunity to work in a professional setting in Year 3, and produces graduates with well-developed critical thinking and problem-solving skills.

The programme has a particular focus on accounting, but other subject areas include business information systems, data analytics, economics, finance, law, management, marketing, statistics and taxation.

Why study Accounting at UCC?

The BSc Accounting Degree offers the most direct route of entry to a career in the accounting profession.

The programme offers extensive exemptions from professional accountancy qualifications, and also enables graduates to follow a career in general management.

Key Benefits

BSc Accounting graduates:

- Have the most direct route to the accounting profession
- Have extensive exemptions from professional accountancy bodies, such as CAI (ACA), ACCA, CIMA and CPA
- Are the preferred choice of accountancy employers, both in Ireland and overseas
- Have the skills to work internationally
- Have broad business and analytical skills, encompassing finance, economics, information systems, law, management, marketing and taxation. These skills are widely sought by employers in all areas of business
- Regularly return to the employer they worked with during their work placement in Year 3

Careers

- Accountancy
- Audit
- Taxation
- Banking/Finance
- Data Analytics
- Forensic Accounting
- Management/Business Consultancy
- Teaching
- And many more...

For full information on the programme structure, go to:
www.cubsucc.com/programmes/ug/CK202/

Course code: CK202
Duration: 4 years
Qualification: BSc (Hons)
NFQ Level: Level 8

Work Placement

The paid six month work placement in Year 3 is a key feature of the programme. The work placement helps students to:

- Broaden their knowledge base and enhance transferable skills
- Develop personal skills such as communication, team-working, and problem-solving
- Build self-confidence
- Enhance their CV and make it more attractive to employers
- Help students make more informed decisions about their career

The internship is arranged by the Career Services at UCC.

Further Study

BSc Accounting offers maximum exemptions at undergraduate level therefore graduates are eligible to sit further examinations to become a:

- Chartered Accountant
- Certified Accountant
- Cost and Management Accountant

BRIGHT MOVERS

Student Profile

"What I found interesting about this course is the wide spectrum of subject matter (in addition to accounting), covered.

The six-month work placement enables students to work in some of the world's top companies and enhances prospects of returning to that employer on graduation.

The degree gave me the knowledge, experience and confidence to work with the largest professional services firm in the world."

Brendan Foley
Senior Associate,
PwC, Cork,
Bsc Accounting
Graduate

Industry Profile

"Graduates from the BSc Accounting programme at UCC have consistently performed well in the Institute of Chartered Accountants' examinations.

Indeed the programme is an excellent stepping stone to a career in the accountancy profession, in finance or in business generally.

Employers feedback has been very positive since the programme's commencement."
