• Tutorial timetables are yet to be finalised and may be delivered in either online or blended fashion.

• All lectures and other on-campus activities will be recorded and available online through the university's Virtual Learning Environment, Canvas, to be accessed by students on the days when they are not on campus and to facilitate students who cannot be physically present.

• "BLENDED" signifies Core or Major modules with blended lectures. Students will be allocated to pods of 50 or less and will rotate on and off campus at the assigned times. Your exact number of on-campus hours will depend on the majors you choose. Pods will be identified before the start of term.

• "ONLINE" signifies Core or Major modules that are online only. All module interaction will take place online. If there are live (real time) sessions online, they will follow this timetable.

• "ELECTIVE" signifies Elective modules, delivered online in most cases.
